

Mahkato Organization Membership and Book Order

PDF Printer version

NO DONATION OR PURCHASE IS NECESSARY to register as a member for the mailing list. All that requires is a shared interest in reconciliation and healing for humanity. If you have that but cannot afford to donate or purchase, tell me, or make a donation that you can afford, and I will send you a book anyway while the supply lasts.

Please, add my name as a new member of the Mahkato Organization, and send me news updates.

Donations as well as profit from the sales of Welcome Home will be used for ceremonial and educational purposes of the Mahkato Organization's mission, according to the Articles of Incorporation, and Bylaws. Receipts and financial records will be provided upon request, but the non-profit status for tax purposes is pending. **So, DONATIONS ARE NOT TAX DEDUCTIBLE unless you later get a receipt that says so.**

Sales tax, handling, and shipping to a single address within the continental USA are included in the price schedule. Using this order by mail option saves on the expenses of card processing, but a secure payment portal option will be available soon as well as a secure logon for personal networking with other members of the organization.
